Dear Ms. Hrochova,

I hereby confirm that on 27 December 2012 we received a donation in the amount of 2.000 EUR from CinEast, Central and Eastern European Film Festival in Luxembourg.

These funds will enable us to make 17 clown-doctor visits to cheer up 1.200 ill children in Croatian hospitals.

Thank you very much for supporting our mission and putting smiles on the faces of little patients in Croatia!
